

INTRODUCING
UMBARGER

Apex

A SUPPLEMENT FOR
Beef Cattle, Goats, Lambs
and Swine being Fed for Exhibition

Apex is a pelleted top dress product designed to provide the full and fresh look that the show ring demands. Apex can be used for show day fill or in situations when low feed intake is required. Apex contains Amaferm® to promote and maintain proper gut health. Go to the ring knowing that you did everything you can to give your animals their best chance to reach the Apex.

INGREDIENTS

Roughage Products, Dehydrated Alfalfa Meal, Molasses Products, Animal Fat, BHT (A Preservative), Dried Aspergillusoryzae Fermentation Extract, Artificial Flavors.

FEEDING DIRECTIONS

Umbarger Apex is a roughage supplement designed for beef cattle, goats, lambs, and swine being fitted for show. Feed at the rate of 2 to 5 lbs per head per day to cattle weighing over 500 lbs. Feed at the rate of 0.5 to 2.0 lbs per head per day to kid goats and lambs that are 75 lbs. or over. For swine over 150 lbs, feed from 0.5 to 1 lb per head per day. This product is not a complete feed and must be fed with a complete show feed or complete grain mix to provide a complete diet. Feed salt or a salt-containing mineral free choice.

Always provide clean, fresh water to animals at all times. Animals should be kept parasite free and current on all vaccinations and/or medications recommended by your veterinarian.
